

Protect your family and your belongings. Take a look at these helpful tips you can use keep your home safe from burglars.

Protect Your Home:

- Check the door frames. Install solid core doors, heavy duty locks, and window security devices. If you're renting, ask your landlord about making improvements.
- Lock all doors, windows, garage doors, and garage interior doors at all times.
- Make sure the garage door opener/remote control is not visible in your car.
- Give an extra key to a trusted neighbor or friend instead of hiding it outside your home. If you hide a key outside, others will find it.
- Get a security system for your home. You can even receive discounts on your homeowners insurance if you have a security system installed.
- Make sure your windows have adequate locks that are in good condition.
- Install window alarms.
- Install motion sensor lights.

Protect Your Valuables:

- When you have purchased new valuables, update your home or renters insurance policy.
- Keep valuable items in a fixed safe, such as a floor safe.
- Keep valuables out of sight from windows.
- Take inventory of what's in your home. In the event of a loss, it will help ease the claims settlement process.
